REMARKS

fid

- 25X1 1. A tank unit was detained in ZATEC (N 51/F 10) according to a railroadman.

16 September 1949

2. Several empty trains of flatcars and boxcars were observed at the ZATEC railroad station.
3. Five rows of twenty tarpaulin-covered tanks each were observed in front of the garages of the barracks north of the ZATEC-TRNOVANY (N 51/F 10) road. Trucks were seen in the open garages.

25X1 Comment:

No information where the tank unit which was detained in ZATEC came from is available.

It appears possible that tanks and personnel of the deactivated 24th and 22d Tank Brigades * may have been reassigned to the 21st Tank Brig, still in ZATEC.
